

**Pleasantville Fund for Learning Annual Dinner-Dance
November 18, 2011**

Thank you to everyone who contributed to make this evening a success and thanks to all of you for coming tonight...we are so fortunate to live in a community that values our school district and our children's education.

This evening's success would not be possible without our auction donors. There are so many local and surrounding businesses, services and community members that donate to the Pleasantville Fund for Learning every year. Also, a big thank you to our contributors; people who couldn't be here but just wanted to donate.

So...as you make your choices when you are shopping, dining or looking for a service for your family or home, please refer to this list.
